HON. H. E. MULNIX

Mr. Mulnix served as State Treasurer during the years 1893, 1894, 1919, 1920, 1923, 1924 and 1927. He was also State Auditor in the years 1915, 1916, 1921 and 1922. Mr. Mulnix passed away November 5, 1927.

A faithful servant of the State he loved.

BIENNIAL REPORT
OF
THE TREASURER OF THE STATE
OF
COLORADO

Denver, Colorado, Dec. 15, 1928.

To His Excellency

HON. WM. H. ADAMS,

Governor of the State of Colorado, and to the Members
of the Senate and House of Representatives.

Gentlemen:

In compliance with the law, I have the honor to submit herewith the biennial report covering the transactions of this department for the fiscal years 1927 and 1928.

I assumed the duties of State Treasurer on November 9th, 1927, by appointment of the Governor, succeeding the greatly lamented Harry E. Mulnix who died November 5, 1927. Mr. Mulnix was serving his fourth term as Treasurer, and was known and trusted and loved by the people of the State to a remarkable degree.

Upon Mr. Mulnix's death, the Governor, acting under the provisions of Section 94, Compiled Laws of Colorado 1921, appointed a committee of three to make a careful inventory of the money, securities and equipment of the office. This committee consisted of Messrs. Chas. Armstrong, J. M. Wood and Hiram Hilts. These gentlemen spent several weeks in the performance of their duties and made a voluminous report to the Governor and received my receipt for the moneys and securities as shown to be on hand by the books of the office.

This report shows in detail the receipts and disbursements for the biennial period and the balance on hand in each fund at the present time. It also contains other tables of interest to the tax payers of the State.

In 1912 the sum of \$45,000 was advanced by the State to the University of Colorado under the authority of the appropriation for \$90,000 made by the Eighteenth General Assembly (Chapter 72, Session Laws 1911). The amount appropriated was to enable the State University to complete the Mackey Auditorium without

delay and the general fund of the State was to have been reimbursed from the amount due from the Mackey Estate as the same should become available. No part of the indebtedness has been paid and an insistent effort to collect was made this year. In justice to the Regents and other officers of the University it should be said that the debt was either not known to them or had been forgotten. Efforts to collect should be continued by my successor as I believe settlement of this loan can be effected and payment in full secured.

The increase in the work of the Treasurer's office is shown by the number of cash warrants issued. In 1917 and 1918 these numbered 32,859, and in 1927 and 1928 72,657. In 1917 and 1918 the total expenses of all departments of the State government were \$11,657,398.30 while in 1927 and 1928 they were \$39,082,133.03.

The cash on hand November 30, 1926, was \$6,012,719.49. The receipts for the two years were \$38,104,222.63. The disbursements were \$39,082,133.03, leaving a balance on hand, November 30, 1928, of \$5,034,809.09.

The General Revenue Fund was the subject of much controversy during this biennium. The estimated revenue for the period 1927-1928, made as required by law at the beginning of the period, was fixed at \$4,501,786.00. Appropriations made by the legislature totaled \$5,956,275.98. I am pleased to report that the program of economy inaugurated by your Excellency early in the period has been fruitful and all of the more necessary appropriations have been paid. The commitments secured by you whereby the various departments and institutions agreed not to spend a part of the funds appropriated have been lived up to in all instances with one exception and without injury to the departments or institutions. These commitments or waivers together with unused balances aggregate approximately \$750,000.00. I am pleased also to report that our estimate of increased revenue for the period has been justified. The actual receipts of this fund up to the close of the period had reached \$4,214,436.47 with approximately \$936,000.00 yet to come from tax levy and Inheritance tax. This will bring the grand total to \$5,150,000.00.

Mr. J. S. Temple who was serving as Deputy under Mr. Mulinix, was retained by me on account of his unquestioned ability and knowledge of the State Treasurer's duties. He has proved a most faithful and loyal help to me during my term as Treasurer.

I desire to express my very sincere appreciation of the many courtesies shown me by the other departments of State, and especially by the Auditor's office, with whom our relations have been most cordial.

Very sincerely,

HERBERT C. FAIRALL.

FARM LOANS

There were outstanding farm loans on November 30, 1926, amounting to \$1,035,965.00. These have been reduced to \$957,730.00 at the present time. Of the \$200,000 originally appropriated by the Legislature to aid ex-service men to obtain an education, \$199,525.00 was actually loaned. Of this there had been repaid up to Nov. 30, 1926, \$31,279.18. During the last two years we have received \$8,291.47, leaving still due \$159,954.35.
